

EUROPE'S  
EVENT FOR  
THERMO-  
FORMERS

# 14<sup>th</sup> EUROPEAN THERMOFORMING CONFERENCE

3 – 5 March 2026 | STRASBOURG | France

## Hands on Thermoforming Workshops Thin and Heavy Gauge

**Tuesday, 3<sup>rd</sup> March, 09.30-16.00 h**

at the **Strasbourg Congress & Exhibition Centre, Strasbourg, France,**

Don't miss this unique opportunity to learn more about fundamentals of thermoforming.

This workshop will not only give you more understanding on fundamentals of thermoforming but it enables you to learn about all different thin and heavy gauge thermoforming technologies and you will be able to discuss details directly with **SPE thermoforming experts.**

**Save the date** and be part of Europe's premier event for the thermoforming community!

### PROGRAMME

#### 09:30 - 16:00 HEAVY GAUGE

- Most used Materials
- Heating of the Sheet
- Different Machine Principles
- Different Forming Methods
- Vacuum forming
- High Pressure forming
- Twin Sheet forming
- Trouble shooting improvements
- Discussion

#### 09:30 – 16:00 THIN GAUGE

- Feeding and Heating the Sheet
- Fundamentals of Thin Gauge Thermoforming
- Advanced Thin Gauge Thermoforming Techniques
- Trimming and Stacking the Parts
- Importance of Product and Tooling
- Cases Study and open discussions
